Dear Mr. McAllister:

It is my pleasure to acknowledge The Council For Tobacco Research U.S.A. contribution of $2,000 to the University of Kentucky for the Cancer Center Symposium Gift Fund. A receipt is enclosed for your records.

Private support is playing an increasingly important role at the university. The generous assistance provided by the private sector greatly enhances the university's capacity for service.

We at the university genuinely appreciate your help and pledge our best efforts to continue to merit your support.
